Session Room Guideline

1. Staff will be present for technical support on the day of the event.
2. If you have any questions regarding presentation materials and equipment, please contact the information desk in front of Room No. 301
3. Please refer to the following pages for the setting and supplies provided for each session room.

Presentation Guideline

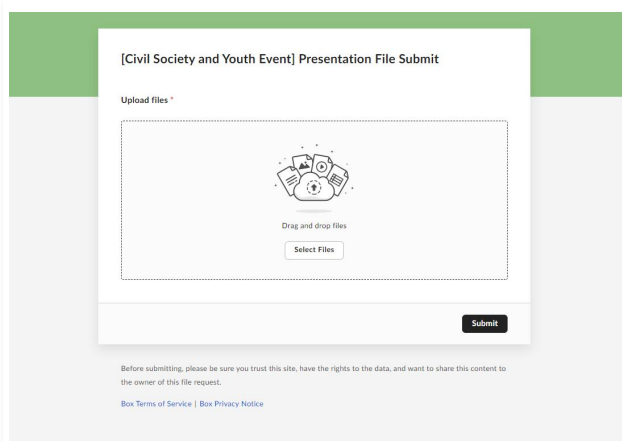

1. Preparing Presentation

- Languages: **ENGLISH** only
- Your presentation must be prepared in **PowerPoint (PPT) or PDF format only.**
 - The presentation slide formats are required to be in the ratio of **4:3 or 16:9.**
 - Fonts: There are no required types and sizes of fonts but try to avoid the use of non-standard Windows fonts or language-specific fonts. (Preferred fonts: Arial, Calibri, Verdana, Times New Roman)
 - If you use non-standard Windows fonts, please upload the font file (.zip file) separately when you submit your presentation materials.
 - Images: Make sure to insert pictures as JPG files (not PNG, TIF or PICT) and have a minimum resolution of 300dpi.
 - Video/Audio files: All video/audio files are required to be embedded in the presentation. Please also upload the original video/audio files (.mp4 .wmv .mp3 .wav formats only) when you submit your presentation materials.
- To avoid any issue with movies and loops with PowerPoint, presentation **MUST** be saved as .pptx, .ppt files.
- Apple (Mac computer) Users : Please give your filename an extension ".pptx, .ppt" (preferred version: newest version of PowerPoint). Check your presentation on a Windows-operated computer (preferred version: newest version of Window) before you upload it.
- The file name should be "**Session Title_Organization's Name_Speaker's Name_v1**".
